

**Do you
love animals?**

We help spiritual, ethical, and religious communities to practice the ideals of nonviolence, lovingkindness, and harmlessness toward all animals.

We include 40 member organizations, 4 allied groups, and partner with the Animal Interfaith Alliance.

Prayers for All Beings

Petition to Enlarge Within Us A Sense of Fellowship
by St. Basil (329 – 379 A.D.)

The Earth is the Lord's and the fullness
Thereof, Oh, God, enlarge within us the
Sense of fellowship with all living
Things, our brothers the animals to
Whom Thou gavest the Earth as
Their home in common with us.
We remember with shame that
In the past we have exercised the
High dominion of man with ruthless
Cruelty so that the voice of the Earth,
Which should have gone up to Thee in
Song, has been a groan of travail.
May we realize that they live not
For us alone but for themselves and
For Thee and that they love the sweetness
Of life.

A Prayer to Embrace Non-Violence for All
by Tams Nicholson, OFS and Executive Director of
All-Creatures.org

Loving Creator,

Thank you for opening my eyes to recognize the intrinsic
connections between the rights of animals and the rights of
humans, and I humbly ask for the strength to advocate for both
with unwavering dedication.

I am grateful that You have called me to this purpose. Please
allow my commitment to human and animal rights to strengthen
the bonds that tie us all together, creating a tapestry of love and
compassion that transcends former barriers and brings us all
closer to the realization of a better world.

Amen

A Prayer to Strengthen My Practices
by Tams Nicholson, OFS and Executive Director of All-Creatures.org

Loving Creator,

I humbly ask to be guided into more sustainable and harmonious
practices that honor all life and the well-being of our planet. I joyfully
desire to learn and master living in harmony with all, respecting the
rights of all animals, nature, and preserving the precious life of our
planet. Thank you for this precious gift of Your guidance.

Amen

Quotes

*“If only we can overcome cruelty, to human and animal, with love
and compassion we shall stand at the threshold of a new era in human
moral and spiritual evolution - and realize, at last, our most unique
quality: humanity.”*

~ Dr. Jane Goodall and Phillip Berman,
Reason for Hope: A Spiritual Journey

*“Peacemaking is a work of love and compassion. It is never passive.
It is always active, and seeks to end our warring madness against
all humans and other animals, and all other forms of violence.”*

~ Sermon – 9 Sep 2012, Pastor Frank Hoffman,
